

## BOTHAM JEAN

## Inaugural 2019 Botham Jean Foundation Gala

*The Red Tie Event Celebrating the Life and Legacy of  
Botham Jean*

Founded in 2018, the Botham Jean Foundation is a non-profit organization whose drive is to continue and expand the missionary work Botham Jean started before he was wrongfully murdered on Sept. 6, 2018, in his home in Dallas, TX. Botham, an admired and respected young business professional, worship leader and servant leader, had a genuine love for helping people in need.

On Sunday, Sept. 29, 2019, the Botham Jean Foundation will host its official United States launch in Dallas with an entertaining and uplifting formal red tie and red carpet fundraising gala. On this special day, which would have been Botham's 28<sup>th</sup> birthday, hundreds of guests, including: Botham's family members, friends, St. Lucia natives, PwC colleagues, Harding University alumni, Church of Christ members, community members, supporters, entertainers, and celebrities, will unite to celebrate his inspiring life and legacy.

From a very young age, Botham dedicated himself to helping people less fortunate than him. To "Be Like Bo" is more than a hashtag; it is symbolic of living an ambitious life centered around integrity, empathy and compassion for all mankind.

*"We are not alone as a community of believers,  
and I am comforted when I know I am not the  
only one doing something."*

*-Botham Shem Jean*

In his honor, the foundation's United States outreach will include providing support to families impacted by police brutality and offering mentoring services through a partnership with his former employer, PwC. Some of Botham's passions included giving back to his native Saint Lucian community by providing financial and emotional support to the Boys' Training Center, Transit Home for Children and the Marian Home for the Elderly, all of which the foundation will continue to support. Also, in collaboration with the Anidaso Foundation, the foundation seeks to provide clean water, healthcare and education to the underserved in our world.

To help make the fundraising event and missionary efforts of the foundation a success, the support and generosity of individuals and businesses will make a huge impact. Thank you in advance for your consideration and support!
